

How to pack your shoebox

1 Find an empty shoebox

The shoebox should ideally be medium size, as shown. Wrap the lid and the box separately in wrapping paper.

2 Decide if your gift is for a boy or girl

Tick the appropriate age box on the sticker provided. Then remove and stick on the top right of the lid. Make sure the label is secure.

3 Fill your box with gifts

You can use the gift ideas on the back of the envelope. Please **DO NOT** include items in the 'No thanks' box.

4 Make your donation

Please donate online if at all possible. If not, please complete the attached donation envelope and enclose a cash/cheque donation of at least **£2.50 per shoebox** (see right-hand panel for more details about your donation). Then place the envelope in your shoebox on top of the contents, securing the lid with a rubber band.

5 Drop off your shoebox

Take your shoebox to your nearest drop off point between **November 1st - 18th** (see right-hand panel for details on finding your nearest drop off point).
