

Kington St Michael CE Primary School

School Council

Minutes of meeting held on 17th July 2008

Present: Elizabeth, Josie, Josh, Joe, Hannah, Ben, Ian, Tegan and Miss Cornelius

School life has been extremely busy recently and the Council have not been able to meet for a while. However, members could remember very well the ideas and suggestions put forward by their classes.

What things annoy us at playtime and spoil our play together?

- Younger children running across the field during football games
- Rough and wild play - especially on the field
- Children ignoring a red card during football
- Children jumping through the window spaces of the gazebo and standing on the seats
- The quiet area not being quiet enough
- Younger children playing with the stones around the quiet area
- Play fighting on the field
- Arguments about the football game
- Huff and Puff monitors running off onto the field and not doing their job
- Huff and Puff equipment left lying around
- Mud pies being made near Eagles mobile - where new flower seeds have been planted

It was felt that those making too much noise in the quiet area or running in there should be warned and then banned for the day

It was felt that the football games should have a sensible referee to stop arguments

It was felt that those playing too roughly on the field should be warned and then banned for the day

It was felt that there should be clear rules for Huff and Puff

It was felt that no other games should be allowed during Record Breaker weeks

It was felt that water bottles should be only used for drinking from and not used to pour water into mud pies, etc.

The Council reported that they, and others, thought that the School Picnic was a good idea and should become an annual event.

The new perimeter fence around the school is much smarter and safer.

Classes would like to learn more new songs in assembly.

Classes would like to do more cookery.

New Council members need to be voted in for meeting to be held on Tuesday 23rd September 2008
