

Kington St Michael CE Primary School School Council

Minutes of meeting held on 22nd April 2008

Present: Jamie, Josh, Jack, Jamie, Elizabeth, Grace, Tallulah, Iona and Miss Cornelius

The Council discussed final arrangements for the start of the Record Breakers events. We agreed the front cover for each year group.

Elizabeth will print these off for each file.

The Council approved the form that Miss Cornelius suggested for the record keeping.

Feedback from each class Council was given regarding rules for the events.

General rules were agreed and Miss Cornelius will type these up.

The Council decided that the words Record Holder should be on the badges.

Miss Cornelius will purchase the Record holders badges.

The office will get each year group file ready.

It was decided that two records will take place on each day of the week - one on the playground and one on the field.

Some days may have more than this on the field if a particular record does not take up much space.

One Year 6 pupil will be the referee for each record breaking event.

The referee is responsible for getting any equipment needed, running the event and recording any record broken in the file.

Elizabeth and Jack will draw up a rota for the Year 6 referees for each day and event.

The Record Breakers system will run for the first week in Term 2, 4 and 6.

Our first week will begin on Monday 2nd June.

Miss Cornelius thanked the Council members for all their hard work and good ideas - especially in setting up the new Record Breakers system - an idea that has come entirely from the children.

Agenda items for meeting to be held on 29th April 2008

Class Councils need to vote and nominate two new councillors for the next meeting.

Please discuss these issues with your Class Council

Thank you
