

Kington St Michael 50 / 50 Club

The aim of the club is to raise funds to support the school by providing regular income to enable the Governors and Head teacher to provide a wider and fuller learning experience by purchase of equipment etc. Half of the money raised is used for prize money with the remainder being used by the school.

In recent years the money raised has been used for the installation of sound equipment in the hall; books for the library; outdoor play equipment and a donation made to the school council to spend on their projects.

A draw is made on the last school day of each month. Two prizes of £25 and £15 are made with the opportunity to win £50 in December and July. Further prizes will be awarded when the membership is over 110.

To join the 50 / 50 club you will need to complete an application form, available from the school office. Payment can be by Direct Debit or cheque (£12 annually). There is no restriction to how many draw numbers a person can hold. Many members have no direct contact with the school.
